JETSTAMP 1025

The AMI/Reiner JetStamp 1025 is the most flexible and function packed handheld printer ever brought to market. With the click of a button, the 1025 can print on absorbent and non-absorbent surfaces with 1D & 2D barcodes, graphics, logos, & alphanumerics – all in half a second. Printing on a variety of sizes and shapes is effortless, and with single and multi-line imprints, ERP/Database connectivity, and up to a 1" print height — this machine is unstoppable.
